### Petition for Extension of Time and Request for Rehearing under § 41.52

Mail Stop Appeal Brief-Patents  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

A request for extension of time under § 1.136(b) is attached hereto for a period of one month. The purpose of the Petition is to provide Applicants with sufficient time to consider the Board's Decision. This is not a simple proposition, given the long pendency of this application and the implications surrounding a basis for interference raised by Applicants. A one-month extension is in no way interposed for delay. In the event that the extension is not granted, then Applicants petition for Rehearing under § 41.52. Rehearing is particularly directed to the new grounds of rejection under 35 U.S.C. § 112. Applicants wish to present evidence and argument to show the claims are supported by the specification.
